

Directions to East View Cottage

East View Cottage is located in the Townhead area of Eyam and is on the right hand side of the main road when leaving Eyam in the direction of Foolow.

The gable end is side on to the main road and there is a track with a footpath sign in front.

From the East you will pass the Church, the Hall and Hawkhill Road on your right, then a bus stop and right turn. The cottage is about 100m after this, also on the right, facing a stone track.

From the West you will find East View on the left, at the end of the first terrace of houses in the village and after a parking place and an old garage, just before the first track to the left.

Directions can also be found using the postcode S32 5RE.
